

Teacher Linsey

I'm Teacher Linsey and I'm excited to be teaching preschool here in SeaTac. I have been working with children for over ten years; preschool-aged children specifically for the last three.

I'm very passionate about my job as a preschool teacher. It is such a joy to work with children, especially the 3-5 year old age group and to be able to see them learn and grow. In my classroom, I am dedicated to encouraging an active imagination and nurturing the potential in every child.

It is my goal that all preschoolers graduate from my class equipped with the skills they need for the next level, including basic educational building blocks (letters/phonics and numbers), as well as confidence in the classroom environment.

When I'm not teaching preschool, I enjoy being with my family - especially my 5 year old son!
